

Mnemply Bingo

Official Rules - Foundation

Practise Foundation Mem-Links with number tiles, the Flip-It Rule, and Bingo cards.

What You Need

- Mnemply Bingo Foundation cards
- The Mnemply Bingo Foundation app
- A marker, counter, or pencil for each player

Game Setup

- 1 Give each player one Foundation Bingo card.
- 2 Open the Foundation Bingo app.
- 3 Choose the winning pattern before the game begins.
- 4 Press New Game if you are starting a fresh round.

How to Play

- 1 Press Draw Tiles.
- 2 Look at the two number tiles: the blue tile is the Cousin Tile and the green tile is the Mem-Link Tile.
- 3 Check the Flip-It Rule.
- 4 If the Mem-Link Tile number is larger than the Cousin Tile number, press Flip-It.
- 5 Once the Cousin Tile is the larger or equal number, press Reveal Mem-Link.
- 6 Players look for that Mem-Link on their Bingo card. If it appears, they mark the space.
- 7 Continue drawing until someone completes the chosen winning pattern.

The Flip-It Rule

The Cousin Tile must be the larger or equal number.

- 2×3 becomes 3×2 .
- 4×6 becomes 6×4 .
- 5×5 stays 5×5 .

In the app, Reveal Mem-Link will not work if the Mem-Link Tile is larger than the Cousin Tile. Press Flip-It first, then reveal.

Bingo Calling Rule

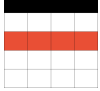

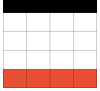

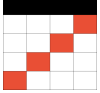

Each Mem-Link can only be called once in a game. When all Foundation Mem-Links have been called, start a New Game.

Winning Patterns

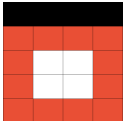

Choose one pattern before the game begins. The red squares show the spaces needed to win.

Classic Bingo

Complete any row, column, or diagonal.

Row 1 	Row 2 	Row 3 	Row 4 	Column 1 
Column 2 	Column 3 	Column 4 	Diagonal 1 	Diagonal 2 

Other Patterns

X Pattern 	Z Pattern 	O Pattern 	Full Card 
---	---	--	---

Optional Gameplay Variations

- **Speed Round:** players must find and mark the Mem-Link within 5 seconds.
- **Team Play:** players work in pairs and share a card.
- **Say It Out Loud:** players say the Cousin, Mem-Link Position, and Mem-Link before marking.
- **Memory Check:** after revealing, ask players to decode the answer using the Secret Code.

Game Tips

- Encourage children to say the Mem-Link out loud when they mark it.
- Use Flip-It as a discovery moment, not a correction.
- Ask, "Which Cousin has this Mem-Link Position?"
- Keep the tone playful. The goal is confident recall, not speed pressure.

Have fun playing Mnemply Bingo Foundation.
